Stand By Your Plan

This week's program is **Stand By Your Plan**, presented by **Mike Leigh** and facilitated by Strategic Planning Committee members. Last year our Club assigned a committee to review our vision and goals to align more closely with the "I Plan" as established by Kiwanis International. The Board reviewed and approved the new plan and re-assigned various cluster committees to committees established in the **I Plan**. This week we are asking Club members to work in small groups to establish goals and action steps for the 10 initiatives our Club decided to undertake. The cluster committees and initiatives are listed below:

Inspiration (Membership & Engagement): Increase and sustain active engagement of members and better utilize members' expertise; Continue to increase club diversity; Increase membership by reducing time commitments and financial barriers that limit new members

Impact (Meaningful Service/Programs): ***create strategic financial and volunteer priorities and processes for review and implementation (to be completed by a special committee or by the Board)**; Determine our signature project(s) and provide more resources and cultivate increased awareness for that project or projects; Enhance collaboration with grant recipients, provide more sweat equity to grant-funded projects, solicit more feedback about impact of grant awards; Place increased emphasis on community workforce development that is reflective of the community we serve

Image (internal & external awareness): Create greater awareness of our Kiwanis Club by allocating more resources (money and/or members) toward image/brand/advertising, etc., including possible paid advertising, and by developing stronger relationships with the media; Create greater awareness of our SLP support and activities

Investment (financial viability): Strengthen administrative budget; Develop new and innovative methods to raise funds/create revenue sources

Speaking of grants....

GRANT APPLICATIONS ARE DUE AUGUST 1, 2018 -

The Kiwanis Club of Roanoke is in the process of putting together its community service budget for the 2018-19 fiscal year. Our club prides itself in supporting more than twenty non-profit agencies throughout the Roanoke Valley. If you are familiar with an area non-profit that focuses on supporting children, the elderly, and/or preserving the environment, you are welcome to submit the organization's name and contact information to our grants committee chair, Robert Habermann, at Haberanor@aol.com

Bob will mail the agency an application and material that explains our program in detail. Please note that applicants must be a Section 501c3 organization. Copies of their financial statements, IRS form 990, a list of their board of directors, and a detailed explanation as to how the grant request dovetails with the Kiwanis Club's mission are required. We will not consider applications that do not comply with the program's essential requirements.

The completed application also needs to be signed by a sponsoring Kiwanian, and it needs to explain the details regarding how our club can supply 'sweat equity' in support of the project. If you choose to be a sponsor, you will be named as the member who will coordinate the 'sweat equity' requirement. Invitation letters will be mailed to last year's applicants (2017-18) around June 30.

Andy Stone (F Anderson Stone) presented his autobiography last week –

He was born in a snow storm on Jan 28th at Jefferson Hospital on Franklin Road on the 23rd anniversary of the chartering of the Kiwanis Club of Roanoke. His father was in the Army Air Corps in Florida, preparing for deployment to Burma as a supply officer where the US were fighting the Japanese.

Andy grew up on an old plantation at the Hardy River Bridge on the Roanoke River, went to school in Roanoke from 6th grade on, and graduated from Jefferson High School. He became the fourth generation to graduate from Washington & Lee (1965), and then joined the Coast Guard Reserve unit in Roanoke during the Vietnam War. Andy served as a seaman apprentice on the Absecon, a ship out of Norfolk, Va.

After active duty, Andy joined Shenandoah Life, got married children, raised three children, and coached soccer. His former co-worker, Bill Magee invited Andy to a Kiwanis Club meeting where he discovered that his grandfather Charles McNulty, Sr. was the first president! After a divorce, in 1993 Andy joined Life of Virginia in Richmond to manage a \$3 billion mortgage portfolio. He had just

gotten settled in and had joined the Richmond Kiwanis Club when the company was sold to General Electric and it was time to move again. He joined Pan American Life and moved to New Orleans, La. Shortly after moving to NOLA, Andy met his current wife Marjorie. As wonderful as NOLA was, planning was not the city's strong suit and it became apparent after two near-misses in 2004 that if a major hurricane struck it would be a disaster! Andy's three children and extended family still lived in Roanoke so he and Marjorie moved back in 2005.

Andy rejoined the Kiwanis Club of Roanoke, became a board member, and then ran for Vice President. He says it was one of the best decisions of his life; he has thoroughly enjoyed really getting involved with the best club and the greatest group of caring people one could ask for!

Daughter Lynn Hungate has taken over Ardell Stone School of Dance from her mother; son Rick is a regional sales manager for US Pipe; and son Bill has also joined Kiwanis and works as Senior VP – Financial Adviser at Pinnacle Financial. In addition to Kiwanis, Andy is on the board of the Roanoke Valley Speech and Hearing Center and the Historical Society of Western Virginia. Now Andy has the best title in Kiwanis – **Past President!**
